Discussion

- Dave Fink will donate a park bench to be installed at the north side of the intersection of Maple Rd & Highway 531. Steve Featherstone is willing to donate a second bench to be installed at the same location. Need to speak to Doug to see if this is feasible. Who does the property belong to.
- Speak to Ann regarding the clean up of that location.
- Public washrooms at Centennial Park – second garbage is needed, roof needs to be inspected to see if repairs can hold off until next year, install screen on each side to prevent birds from nesting
- Next year, rearrange the Canada Day schedule
- Halloween, Rec Committee to participate, invite school to make decorations. Each club/ committee to set up a table and craft.
- Christmas – ask Library to do story time, evening extended to include jam session
- Add to next agenda, discussion on summer camp and games nights
