

TOWNAPP powered by Citizen Alert

Bonfield's app is changing and will now be part of TownApp, powered by Citizen Alert.

As before our new app will give you all information you need to make your life easier – always up-to-date and at your fingertips.

Our new app will have increased functionality and will be powered by the same reliable company that we all trust, Citizen Alert.

Through the app, we will send you personalized notifications about:

Safety, Events, Road Issues, Taxes, Calendar, plus Other Info.

You can also send us reports about:

Road Issues, Accidents, Fire, Flood, Power Outages and Other Info

To start receiving your notifications, all you need to do is download the Bonfield Township app – no registration or payment required!

**DOWNLOAD
NOW**

How to Download

- Visit the App Store and search TOWNApp
- Visit the Google Play Store and search TOWNApp
- Download the app to your preferred mobile device
- Type Bonfield in to the first screen
- You are now ready to start receiving instant notifications and alerts from us!
- It's that easy!

FAQs

How much does it cost to download and use the app?

It's free! You can download and use the app for no cost at all.

Will the app use up a lot of data on my phone?

The app will use cellphone data or Wi-Fi, but only a little. It won't significantly increase your data usage.

What kinds of notifications can I expect to receive?

- Safety information
- Events happening in and around our town
- Road Issues
- Information about your taxes
- Our town calendar
- plus other info.

When is this happening? And why do I have to download a new app?

The new app is available to download and will go live May 22nd at 8:30 am. We will send an alert on our current app to inform you that we have transitioned to the new TOWNApp. This is happening because it means we will have increased functionality to help improve our communication with you even more!

What do I do if there's a problem with the app?
