The Special Meeting of Council was to hold a public meeting for feedback on three Zoning Amendment Applications.

1. ZC 1/2023 558 Development Road
2. ZC 2/2023 450 Boundary Road
3. ZC 3/2023 107 Eric Street

The Clerk read the public notice statement at the beginning of the meeting and informed the audience if anyone attending wanted to speak to a particular file to please identify themselves when the Clerk asked for public input at the end of each report. The Clerk presented the planning reports and details of the request for each file.

Public input for file ZC 1/2023 was received by Mr. and Mrs. Cook, neighbours. They have concerns that the property is not used seasonally but rather throughout the year, there is a generator running frequently and the outhouse on the property is overused at different times of the year due to an influx of visitors. The owner addressed Council to say they have a permanent residence in North Bay and come to the property frequently as they have chickens on site.

There were no other public comments.
