

Coming Soon! Recycling Bins!

22 gallon recycling bins will be for sale at the Landfill and at the Municipal Office in June!

They will be sold for \$12.50/bin, compared to \$22.98 at Home Depot.

A recycling bin can help you organize your materials for easy disposal at our recycling center. If you have multiple recycling bins, you can even organize your recycling by type for easy processing

The Township has purchased 450 bins to help you feel more confident when it comes to recycling, and at a lower cost!
