Public Announcement

The Council for the Township of Bonfield is excited to announce that Ann Carr will be assuming the role of Planning Administrator in October of 2023.

Mrs. Carr is currently the Public Works Manager and has been promoted to this new position due to her thorough knowledge of municipal government and our community along with her education and experience.

Mayor Paquette is pleased to be able to promote from within the municipality. "Ann has been a loyal employee of the Township and is constantly looking out for the best opportunities for Bonfield to run efficiently, grow and prosper. I am thrilled she has accepted this new position and know her skills and positive attitude will ensure both she and the Township continue to thrive."

She has been working toward this career advancement and has received her Diploma in Municipal Administration through the Association of Municipal Clerks and Treasurers of Ontario. This Diploma involves municipal planning law and a primer on planning, making her well suited to her new role.

Ann is excited to join the administration team. "I am pleased to continue my journey in supporting the residents of Bonfield by becoming the Planning Administrator. It will be a pleasure to see our community develop and to support the Council with our Official Plan review. My heartfelt gratitude is given to the Public Works team for all we endeavored".

Please welcome Ann to her new role. Congratulations Ann.

Small Community, Big Heart
