

WHAT ARE YOUR IDEAS FOR BONFIELD TOWNSHIP?

YOU'RE INVITED

The Township of Bonfield is updating its Official Plan (OP) and Zoning By-Law (ZBL). An OP is a document that sets objectives and policies for how land will be used in a municipality. A ZBL implements the OP by regulating land uses and locations of buildings and structures.

As part of the update process the Township is holding an open house to discuss important local land use issues. This may include:

- Types and locations of housing, businesses, and industry;
- The phasing and future of development (densities, infill, redevelopment, affordability);
- Protection of nature, culture, and heritage;
- Community improvement initiatives; and more

Come share your ideas for land use within the Township with us!

Further information on the OP and ZBL update is available on the Township's website: bonfieldtownship.com or by calling Sabrina Green, Manager of Planning and Development at 705-776-2641 ext. 126

Bonfield Township OPEN HOUSE

Thursday
April 6, 2023

Drop in anytime between
6pm-8pm

Bonfield Community Centre
100 Yonge St. Bonfield
POH1E0
